

**Focusing on our bible college
Colossians 1 vs 28**

Our focus of these prayers is for our bible college, its students, the staff team, its alumni and the young Christian leaders who are starting out in the careers. Spend some time reflecting on the motto verse of our bible college.

We proclaim him admonishing and teaching everyone with all Wisdom so that we may present everyone perfect in Christ" Colossians 1 vs 28

Praise God for this years graduates

Congratulations to K.Kalaiselvi (B.Th), P.Monalisa(B.Th), J.Hemalatha (B.Th), R.Vijayakumar (Dip.Th) and D.Jamimal (Pre Theology).

We are delighted that all this years graduates have found ministry placements in their local churches close to their home towns. Please pray for them in their first jobs as they start their careers.

Mentor Scheme

As part of their studies the students receive a mentor so they can really understand what it entails to serve communities. Please pray specifically for Rev. Robin's mentees, Kishore and Gilchrist, as they are now working alongside him in a village which is associated with witchcraft. Praise God for this opportunity to minister in this village.

Learning new skills

Praise God for our paddy field! It provides food for our students and all those living in Hope Gardens and attending our after school club. This field gives them the opportunity to learn new skills and work alongside the local community. This investment has blessed us in so many ways, and we are grateful for the step it is giving us towards food independence.

Praise God for our female students.

We are lifting up our female pastors, alumni, and students in prayer. We are grateful for the positive role models that they provide. We heard from Rev. Ruby about the harassment that women and girls face as they come to her church. We pray for Rev. Ruby and all pastors as they minister in difficult circumstances. Praise God for our alumni. We lift up Shipla who has just given birth to a little girl and for Sindhiya starting a new role in her local church

Pray for Manipur

There is significant unrest and violence in the Manipur region at the moment with Christians being targeted specifically. Since May there has been over 10,000 families displaced, 300 churches burned and Christian communities being forced to flee their villages and lives lost. We are helping and linked up with a bible college in Manipur. Pray that we will be able to provide homes for bible college students and some faculty members.
