

## RETURNING BACK TO CAMPUS -FINALLY!

We are back! Isn't it great news that we have finally reopened our doors to let our students back on to campus. Enjoy reading about how we are celebrating, learning and socially distancing back on campus.

### MESSAGE FROM ARCHBISHOP SAMUEL!

By the grace of God we have reopened our Bible College on January 6th for 15 students. Our government has allowed colleges to re open following rules, regulations and safety measures against the spread of Covid 19. Not all our students feel comfortable coming back to campus based learning but that is ok and we are still remote teaching as well. We are focusing on ensuring the students are healthy and have the right nutrients. To build our students up our breakfasts now include eggs!

### SAFETY RULES!

All students and teachers had medical check ups before admitting them back to the hostels.

Everyone wears masks, everyone sanitises constantly and everyone social distances!

Every day everyone has their temperature checked.

### VANAKKAM!

We say hello and welcome to campus for the first time to Hema from Delhi and Mona Lisa and Gideon from Tamil Nadu! A big virtual hello to the students learning remotely too.

Welcome back Motcha Mary, a previous student, who has returned to campus and has been appointed as warden!

### PONGAL FESTIVAL!

On 16th January we were straight in with our Pongal celebrations. It is similar to a harvest festival. We worshiped, we shouted our praises!

The children, students and all the staff joined in and then we all ate the pongal fruit. Following traditions we shared this meal with the cattle as well!
